

## CUP CHALLENGE IS WITHDRAWN

Lipton's Formal Reply Received — Word Expected From Sweden in 10 Days.

The New York Yacht Club last night received the letter from Sir Thomas

Lipton and the Royal Irish Yacht Club, formally withdrawing the challenge for a race for the America's Cup, which was declined by the club three weeks ago.

It was said at the yacht club that the answer of the club to the inquiry from the Royal Swedish Yacht Club, regarding a race for the cup, would not reach Stockholm until the first of next week and an answer is not expected for ten days at least.

A committee, headed by H. Butler Duncan, was appointed to report on the suggestion of handicap racing, such as is in vogue in European waters. It is said that the present measurement rules under which Sir Thomas challenged will be revised at once.
